CLF and CMIT N MS say farewell to one of our pioneers, as she embraces the next phase of life!

FAREWELL MRS. SHIRLEY ATTICK

Mrs. Shirley Attick, Chesapeake Math & IT Academy North Middle School Registrar said farewell to her colleagues and friends this week. She will begin a new chapter in her life. Mrs. Attick has been with PGCPs for 22 years with the last 11 years in a PGCPs/CLF school. Mrs. Attick started in 2011 as the registrar at CMIT NMS and has been the registrar at the school since then. She was celebrated by her current principal, Mr. Andrew Brauer (right), Mr. Vedat Dogan, CLF Director of Finance (left), and a host of other well-wishers.

This quiet professional can truly know she is one of the reasons the CMIT North Cluster has been so successful. Pioneers set the standard and maintain it as others see their work and follow suit. Ms. Attick will be missed but somehow, we're convinced we will see her again, even if just in another capacity.

Eighth Grade Promotions Were Celebrated In All CMIT & CSP Middle Schools
